

ILIE Gheorghe IONUT

creative front-end developer

Bucharest, Romania ✉ ilie.ionut29@yahoo.com ☎ +40 768 272 273

Experience

 **DEUTSCHE BANK** — Front-End Developer & UX/UI Team Coordinator march 2023 – present

React Redux REST API JavaScript TypeScript Material UI Node.js Webpack
Playwright AG Grid Jenkins CI / CD Pipeline Jest Java

- Developed and refined internal applications handling over 1 million data entries, using technologies like React, Redux, TypeScript, Webpack, Node.js, AG Grid and Material UI, with a focus on performance, security (including 4-eyes approval system) and user experience
- Coordinated a team of UI developers, UX designers and business analysts, managing project planning, task estimation and workflow optimization
- Created documentation and detailed diagrams to clearly communicate application workflows and design decisions to all stakeholders
- Conducted demos to the team and stakeholders to get real feedback and improve the application

 **LEADLION** — Front-End Developer nov 2020 - march 2023

JavaScript jQuery PHP PHTML React MySQL Docker Knockout.js Magento 2
Jenkins Sass Less CSS

- Developed fully responsive custom e-commerce stores and websites using a wide range of modern technologies and frameworks, including JavaScript, React, jQuery, PHP, MySQL, CSS and Knockout.js
- Collaborated closely with back-end developers and web designers to improve usability, user experience, security, and overall application performance
- Gained experience in MySQL database management, ensuring data integrity and also in automating deployment processes using tools like Jenkins

 **ENDAVA** — Front-End Developer - Internship sep 2020 - nov 2020

HTML CSS JavaScript jQuery React Sass Less

- Gained practical experience in developing an application from scratch during a three-month program
- Focused on front-end technologies, improving skills in HTML, CSS, JavaScript and jQuery
- Learned agile practices and methodologies, gaining experience in teamwork and project collaboration

Licenses & certificates

 **Digital Nation** — Full stack JavaScript 2021

 **British Academy of Business** — Front-End Developer 2022

 **UDEMY.COM** — React Developer 2022

 **UDEMY.COM** — JavaScript Developer 2021

Education

 **Bucharest University of Economic Studies** 2015

 **Radu Greceanu National College** 2011 - 2015
